To serve our client base in Indiana... and beyond!

Since our founding in 1980, ThermalTech has been providing high performance engineering, construction, and operations solutions to our clients. We look forward to bringing these services to the Lawrenceburg area and surrounding communities.

In addition to mechanical, electrical, and plumbing engineering design, we provide:

- Energy audits
- Master planning
- Commissioning
- LEED design
- Energy Star certifications
- Engineer-Led Turnkey construction projects
- Feasibility and alternatives analysis, including life-cycle cost
- Expert witness services
- 3D AutoCAD design
